Comments:

"Much to the surprise of many of the runners the course was not muddy. A few days of dry weather had come to our rescue and the grass stretches had been newly mown on race day thanks to the efforts of Vicky (Fawcett). Unfortunately this improvement couldn't save the runners from two ascents of the hill!

We had a minor incident before the start when a runner was injured whilst warming-up in the car park. For once our first-aid kit came in useful and the excellent assistance provided by the two "Quakers" medical professionals, Diane and Lucy, was greatly appreciated. They will receive free entry to our next event, as will the unfortunate athlete and his wife, who were unable to compete but had already registered. I understand the injured party is well on the way to a full recovery.

In the race itself James Askew dictated proceedings once again and was followed home by Johnathan Baines, a promising junior athlete. James has supported our events for several years now, and it's pleasing to note his progressive improvement over this time. In third place was Richard Darling, who was completing a full set of "podium" finishes, having been previously second and first in the earlier events. The ladies race was a tighter affair with the first four finishers being within 21 seconds of each other. Lucy Jeffries showed that her earlier "medical duties" had not unduly affected her race preparation, by recording her first ever Tees Trail victory. The ladies series looks quite open this year, totally the opposite of last year's domination by cross country international, Rosie Smith. In second place we had the "unattached" Lisa Bennett and third prize went to Jane Wistow.

This was a relatively easy course to marshal but we continue to be indebted to the support of my Jacobs colleagues, who help on the administrative side of the event. We are always looking for new helpers so if anyone reading this would like to help in any way, please don't be shy to contact Bob or myself. I must give praise here to Vicky's co-ordination with the venues. This is pivotal to the success of the events and cannot be underestimated.

Remember our next event is now at Preston Park on Wednesday 11th July. We have postponed the July 4th fixture as it clashes with the very popular Croft 10km. We will advise a new date shortly, please watch the website for more details.

The Tees Trail Races take place on woodland or grass tracks at a variety of local countryside sites around The Tees Valley and are approx. 5Km in length. The races are open to anyone 15 years of age or over and attract a wider variety of different ability runners and we are always supportive of encouraging novice or less experienced runners to participate to promote active lifestyles. For more details visit www.teestrailraces.org.
