206	1	Steven King	Billingham Marsh Hou	M45	42:33	36.04

**Comments:**

Despite a very negative forecast earlier in the day we escaped without having to contend with rain for the event. However there was a strong wind blowing and the runners were grateful that it was behind them on the climb! Once again we had over 200 competitors and we were blessed with a paralympian silver medallist on display in the men's race. "Winnie" as he is known locally, originates from Ethiopia. Soon to the head of the field he maintained a strong pace throughout and despite the best efforts of James Askew, Winnie ran out a comfortable winner. In third place Mike Jeffries once again came in ahead of Andy Chadfield.

In the women's race it was the same three runners occupying the podium positions that we had been the case at Preston Park. Kay Neesam repeated her victory but Sue Phillips turned the tables on Kath Aspin relegating her to third place. Kath's teammate Shelli Gordon finished a close-up fourth. Our thanks are due to all the helpers and it was noted that the free chocolate bars were very popular! Our next race is at Wynyard Woodland Park on Thursday 30th May. If you've not been there before please note that the event starts at the Thorpe Thewles end of the walkway not the Wynyard end.

One final note of caution - if you're warming down whilst other runners are still arriving please ensure you avoid the finishing area and do not impede the incoming runners.

Look forward to seeing you all again at Wynyard.

Rob, Roy, Bob and Vicky

ideal time = 15:20

\*Points = (15:20 / Time \* 100)

The Tees Trail Races take place on woodland or grass tracks at a variety of local countryside sites around The Tees Valley and are approx. 5Km in length. The races are open to anyone 15 years of age or over and attract a wider variety of different ability runners and we are always supportive of encouraging novice or less experienced runners to participate to promote active lifestyles. For more details visit [www.teestrailraces.org](http://www.teestrailraces.org).
