Comments:

Another successful Tees Forest Race at the new course at Hemlington Lake last week was not without incident. 186 competitors set off on a lovely evening on a route of two & a half lap, 5 k route around the footpaths of this scenic area.

After the short opening lap the very competitive leading group of four unfortunately confused the route in their efforts to gain the leading position and took a shortcut at the start of the second lap. This did not detract from a really good struggle and the leading four fought it out to the end with Jim Bulman crossing the line seconds ahead of Paul Lowe with James & Gary following on. All four covered by less than a minute. I'm sure there was no deliberate attempt to gain an advantage but after some discussion the organising committee decided there was no alternative but to disqualify the four runners involved. This promoted a surprised Mike Jefferies to first place in a very creditable time of 16:15, followed home by Andy Chatfield in second and newcomer Paul Butler in third.

The ladies race was won in the terrific time of 17:11 by another newcomer Rosie Smith who was 9th overall & only just lost out in a sprint finish to the battling Dave Burkhart and veteran Brian Roberts. In truth Rosie has quite a pedigree having run for Scotland but she's recovering from injury at the moment so watch out when she gets fit chaps.

Second in the ladies section was our regular winner Kath Aspin in 19:50 followed by the still unattached Katie Simpson 9 secs later.

There were lots of good performances - too many to mention. As most will now know the next race in the series on 10th June has been moved from Acklam to Newham Grange Leisure Farm after problems with the proposed course. Good news is that the "Commemorative Gift" to all runners who've run more than three events will be available at the next race. Finally, if you want to run the handicap on 24th June at Wynyard & haven't run in 3 races please let us know and we'll sort out a time. Regulars will automatically be given a time. See you all at Newham Grange.

Regards Bob Howe

ideal time = 13:33

*Points = (13:33 / Time * 100)

The Tees Trail Races take place on woodland or grass tracks at a variety of local countryside sites around The Tees Valley and are approx. 5Km in length. The races are open to anyone 15 years of age or over and attract a wider variety of different ability runners and we are always supportive of encouraging novice or less experienced runners to participate to promote active lifestyles. For more details visit www.teestailraces.org
