**Comments:**

Hi folks, thanks for such a good turnout on what was a pretty poor night weather wise.

Firstly an apology for the confusion re the new route, which to be honest was down to a misunderstanding about exactly where I wanted one of the marshals to stand.

I was pretty surprised when I saw runners descending from the Falconer Seat on the top of Cringle, but the feedback was surprisingly positive, with a couple of exceptions and most folks liked the new route (whichever one they took).

Learoyd actually went around again and proved the lower route a couple of minutes quicker, which was no surprise.

I know the area very well and I guess I assumed everyone else did too, hence the confusion.

I decided to give the prizes to the first three gents and ladies crossing the line. It seemed the fairest way to me , but if you disagree that's your choice.

The full results are attached.

The car parking levy was well received by the café and is a small price to pay to maintain such a good venue.

Finally a very big thank you to all the marshals and helpers at registration and the finish. It was not a pleasant evening to stand about for about an hour in the wind and rain

Hope to see you all at Ropner on the 16th June for something completely different.

Cheers Bob
