DNF	688	Lauren Lamb	UNATTACHED			

Another glorious Thursday evening saw a fantastic turnout of 190 runners at Carlton.

I'll admit I was frankly astounded at the numbers of folk willing to take on a new course in a more remote location although I think the course drew more from the fell fraternity than usual. I think the general consensus was positive so we'll be back there again.

Thanks to you all for your patience in the tight areas on the first lap where it was a bit busy. I spent the first lap watching from the stone circle north of the start from where I could watch virtually the whole course with a line of brightly coloured runners winding their way around. The ladies race saw Kay Neesam leading home Caroline Ollis with Shelli Gordon in third place. The diminutive Katie Noble took fourth place with Lucy Jefferies rounding out the prize winners.

Mike Jefferies moved up from his usual third spot to lead home Gary Grounds in the gents race. Newcomer to our series Dan Middleton from Dark Peak ran in in third place with Dez Fielden just pipping another newcomer Rob Moffat from Howgill Harriers in fourth & fifth.

Special thank from me go to Vicky, Roy, Jane, Donald Jo and all the rest of the volunteers for sorting out the organisation which I couldn't handle due to sickness. Thanks also again to Nat for his help with the results.

Our regulars will be pleased to hear that production of this Mugs is underway with Rob Williamson from Loftus & Whitby applying my daughter Amy's art work to the ceramics.

Finally my entry list records that a total of 471 different runners have taken part in this year's summer series, we must be doing something right ! Could be a bit crowded at Ropner Park on the 17th July, see you there.

Cheers Bob

ideal time = 14:36

\*Points = (14:36 / Time \* 100)

The Tees Trail Races take place on woodland or grass tracks at a variety of local countryside sites around The Tees Valley and are approx. 5Km in length. The races are open to anyone 15 years of age or over and attract a wider variety of different ability runners and we are always supportive of encouraging novice or less experienced runners to participate to promote active lifestyles. For more details visit [www.teestrailraces.org](http://www.teestrailraces.org).
