Comments:

First a note about the venue we didn't get the chance to tell about it you last night...it's always hectic. "The Tees Trail Race took place from the newly opened Middlesbrough Cycle Circuit on Thursday 19th May. Whilst the venue is for cyclists, we were able to book the Circuit to promote this new facility to a wider audience. Middlesbrough Cycle Circuit is for cyclists of all ages and abilities and is an ideal facility for family cycling. For more information on how you can cycle at Middlesbrough Cycle Circuit and for a timetable please look at the website: www.middlesbroughcyclecircuit.co.uk

The Cycle Circuit is managed by Middlesbrough Council and has been funded by British Cycling, Middlesbrough Healthy Town Programme and NHS Middlesbrough."

We hope you enjoyed the different type of event. I enjoyed running round the cycle circuit, it seemed quick and didn't feel like a kilometre, even though it is.

Once again, we were blessed by good weather but unfortunately the scheduled cricket match took place on the square adjacent to the circuit, even though we were told it would be on a different pitch! This meant some late changes to the course. There was not a clearly defined path round the grassland and I'm fairly sure some "detours" were taken by runners which reduced the total distance. However what matters is your points score. Have you improved since last time?

In the race itself, four runners were together in the early stages. They were Paul, Andy, James and Rosie. Entering the track for the final circuit, the three males were clear and James showed the others a clean pair of heels in the last 500m to take a clear victory. Andy just got the better of Paul for 2nd place and Rosie followed in 4th (1st lady of course). There was a close race for 2nd and 3rd lady with Shelli Gordon edging out veteran (surely not!), Louise Trainor. Sharon Gaytor was the next lady to finish. This type of race must seem like a sprint to this very talented ultra-distance athlete.

Once again big thanks are due to the those who acted as marshalls and other helpers. We were well supported by staff from Middlesbrough Council, of particular importance was the clearance of the nettles on the loop in the wood! Dan (apologies for forgetting your name...it's the pressure of the event and my age) from Distance handed out the spot prizes and we are very happy with their continued support. Final mention to the Aspin family for their excellent photographs...which one will have the most hits this time?

Our next event is at Pinchinthorpe Visitor Centre, Guisborough on 9th June.....7.15pm start as usual.....if you're new to this venue it's a challenging course with some climbs...however the forest tracks are good underfoot. Also keep a watch on the website, we hope to have details of further events very soon.

Roy (definitely not forgetting Rob and Bob)

ideal time = 13:10

*Points = (13:10 / Time * 100)

The Tees Trail Races take place on woodland or grass tracks at a variety of local countryside sites around The Tees Valley and are approx. 5Km in length. The races are open to anyone 15 years of age or over and attract a wider variety of different ability runners and we are always supportive of encouraging novice or less experienced runners to participate to promote active lifestyles. For more details visit www.teestrailraces.org.
