Comments:

Great to see so many regular faces at our first event of the season. I cannot always put a name to the face, but perhaps this is a consequence of nearing state pension age! Welcome also to any new runners. We hope you all enjoyed the event. At the front of the race it was a Jefferies' double, as Mike led throughout to record a comprehensive victory, and brother Chris overcame Scottish International cross country runner, Rosie Smith, to take second place. I believe it's only the second time we have had brothers on the podium following the Wilson's at Summerhill in 2009 and probably the first time a lady has been amongst the first three to finish. The second lady to finish was Carolyn Summersgill, who regularly performs at a high level in many local events, and third home was Rosie's team-mate, Kim Simpson. A highly commendable third in the men's event was Phil Teece, who competes in the M50 category.

As there has been minor changes to the course each time we have ran at the Farm, you should gauge your progress by referring to the points awarded, rather than your times. Throughout the series you should be aiming to increase your points score at each event.

It was pleasing to see so many people volunteering to help Bob on the day. Difficult to mention you all by name, but by quantity there was the "extended" Lowe family and the Marsh House brigade, with especial thanks to Dorothy for acting as main first-aid person. Believe me, you can never have too many helpers. As the saying goes "they are worth their weight in gold". Will anyone who assisted please see me at the next event (bit like being back at school!) there's a small gift for you. Thanks are also due to Dan and Amy from "Distance" for their support on numbers and spot prizes. Richard from the Farm was instrumental in helping the event to run smoothly, and the Farm refreshment team kept us all hydrated, many thanks to them.

Finally it's good to have the website going thanks to webmaster Rob's efforts. Rob even played truant from his evening class to compete! Our next event is on 19th May at the new venue of Prissick Cycle Circuit in Middlesbrough. This is a relatively flat, mixed terrain route of approximately 5kms, and it is a bit different from our other courses in the series. Hope to see you all there.

Roy (not forgetting Bob and Rob!)

ideal time = 13:20

*Points = (13:20 / Time * 100)

The Tees Trail Races take place on woodland or grass tracks at a variety of local countryside sites around The Tees Valley and are approx. 5Km in length. The races are open to anyone 15 years of age or over and attract a wider variety of different ability runners and we are always supportive of encouraging novice or less experienced runners to participate to promote active lifestyles. For more details visit www.teestailaces.org.
