Comments:

"After all the poor weather of late, we were blessed with good conditions for the 2nd race in the series. The course length was very close to 5kms, perhaps falling a little short by 50 metres or so. Following on from his 2nd place at Preston Park, Richard Darling ran out a comfortable winner of the men's race. After leading throughout, he finished well clear of Wayne Boutell and Richard Fawcett. Gary Dack in 7th place was the first veteran to finish. In the ladies section there was a close finish with veteran Kay Neesham, finishing just 8 seconds ahead of Lucy Jeffries. The following places also went to veterans, with Lisa Bennett coming in 3rd, followed by Sue Phillips in 4th.

Thanks are due, once again, to all our helpers. Richard, from the farm, is always very supportive and without his input, it would be difficult to use the venue. I'm sure the refreshments were most appreciated by all and our thanks are due to the ladies who provided them.

Our next event is at Cowpen Bewley on Wednesday 13th June and we hope to see you all there. Just a reminder that once you register and are allocated a number, that number applies for all the races. It is not necessary to complete a new form each time. Some runners have registered twice and this can cause confusion when working out a runner's total points for the series."

Rob, Roy and Bob.

ideal time = 15:00

*Points = (15:00 / Time * 100)

The Tees Trail Races take place on woodland or grass tracks at a variety of local countryside sites around The Tees Valley and are approx. 5Km in length. The races are open to anyone 15 years of age or over and attract a wider variety of different ability runners and we are always supportive of encouraging novice or less experienced runners to participate to promote active lifestyles. For more details visit www.teestrailraces.org.
