Comments:

It was a day for the young brigade with Matthew Jones taking his first series victory, with another junior, James Askew, finishing third. Sandwiched between the two we had Marc Fenwick, from Wallsend, who was returning to competitive action following a recent injury. As for the ladies, Michelle Scott repeated her Summerhill victory followed by international orienteer, Karen Poole, with Sharon Gayter taking third place. Sharon was "fresh" from her recent 135 mile exploit in Death Valley, USA! The course was the usual one (slightly less than 5kms) with the track around the forest in reasonable condition despite the recent felling operations. We had many newcomers from the WRN (Womens Running Network). They seemed to enjoy their run around, to quote, "the mountains". Hope to see them again in the future. Thanks, as always, are due to our marshals, Kath from the centre, Simon, team Lowe, Emma (Lucozade Lady) and apologies to any other person I may have forgotten!

The final race is a handicap at Newham Grange Leisure Farm on Thursday 20th August. It is open to those that have completed in at least 2 events. Please let us know that you intend to take part by mailing charles.howe@akersolutions.com or by phone to 01642-334033 (daytime) 01642-723385 (evening). We will be presenting the series prizes at this event. These will be published, along with the final points scores, on this website soon.
