Comments:

Preston Park has always been our most popular venue with respect to entries and once again we've set a new record, 280 runners turning out on a glorious summer evening. Everyone seems to have enjoyed the run although the numbers meant some crowding on the first lap. Apologies for this, we'll move the start in future to allow folk to spread out more before Quarry Wood.

In the mens race it looked as though it would be a pretty close run thing with quite a bunch on the first lap, but thereafter the leaders upped the pace and regular victor James Askey was relegated to second place behind the flying Andrew Wiles, who I understand did not originally intend to race on thursday but set a new course record of 16'34".

Another regular Mike Jefferies followed James home in third with James Oldfield and Paul Bentley taking the other prizes.

Kay Neesam again from New Marske led the ladies home again chased all the way by Caroline Ollis of Middlesbrough & Cleveland with Shelli Gordon, Dawn Richardson and (dare I say it) the veteran Sue Phillips show a lot of younger runners a clean pair of heels in 5th. All of these ladies ran in a very creditable time of sub 21 mins.

Thanks again for the terrific support , it makes all the effort of organisation worthwhile.

As Roy mentioned at the presentation, any volunteers to marshall are very welcome.

A big thank you goes again to our teams at registration and the finishing line and the course marshalls. Without these volunteers we couldn't run the events.

A couple of dates for your diary are the Mulgrave Castle 10k on the 1st June.

A fantastic race this in one of the most beautiful country estates in the area.

OK it is hilly. but we don't run cos it's easy !

ideal time = 15:10

*Points = (15:10 / Time * 100)

The Tees Trail Races take place on woodland or grass tracks at a variety of local countryside sites around The Tees Valley and are approx. 5Km in length. The races are open to anyone 15 years of age or over and attract a wider variety of different ability runners and we are always supportive of encouraging novice or less experienced runners to participate to promote active lifestyles. For more details visit www.teestrailraces.org.
