Comments:

"Despite the copious volume of water underfoot we were fortunate that it did not rain during the event and performances were not adversely affected. James (Askew) led the way once again, and running with more vigour than in the earlier Preston event, significantly improved his points award when compared with last time. Andy (Chadfield) in second place, reversed the placings with Richard (Darling) from Cowpen, but splitting the pair was the ladies winner Rosie (Smith) continuing her excellent form from last season. It was good to see a resurgent Jonathon (Skidmore) finish 4th in the men's event. Second in the women's event was Kay (Neesham) fresh from her victory together with Shelli (Gordon) in the Lyke Wake Race where they were faster than all the men!! Third was "free entry" Lucy (Jeffries) who once again came home just ahead of "unattached" Lisa (Bennett).

We had a unique competitor, Mary Mills, from Holme Pierrepont (Nottingham) who did a return rail journey on the day to specially compete in our event. Mary is on a mission to compete in an event in all counties of the country and had chosen our event for this area. Many thanks Mary....hope you enjoyed it. Once again we are indebted to the assistance afforded by the "Jacobs quartet" namely Jane, Jo, Rosie and Donald without whom the event would struggle. Also thanks to Josie who gave up her own race at the last minute to help marshal. From my own point of view, Rob is most supportive and provides a really excellent website and Bob's enthusiasm keeps me positive, in addition to his many administrative event duties! And finally I must also not forget Vicky...our "event fixer" supreme.

I hope you may already be aware that we are holding the next event on Wednesday coming at Castle Eden Walkway, based at the visitor centre which is the old railway station. I will try to get a cumulative series position on the website before then, but if not, hard copies will be available at the event. There are some close issues in some sections, so its all to play for. Look forward to seeing you there."

Roy

Correction 19th July 2012: David Clouson inserted into 67th

ideal time = 15:10

*Points = (15:10 / Time * 100)

The Tees Trail Races take place on woodland or grass tracks at a variety of local countryside sites around The Tees Valley and are approx. 5Km in length. The races are open to anyone 15 years of age or over and attract a wider variety of different ability runners and we are always supportive of encouraging novice or less experienced runners to participate to promote active lifestyles. For more details visit www.teestrailraces.org.
