Comments:

We just about missed the rain again, but in any event it wouldn't have affected the ground as the course was similar to the weekly park runs that are dotted around our area. We were pleased to welcome the area's outstanding T & F athlete, Chris Tomlinson, as our guest, and he kindly presented the prizes and made himself available for photos. In the men's race "Winnie" was a comfortable victor ahead of Chris Rumsey and Gary Grounds. Another meritable performance further down the field from our Irish visitor, John Todd, whose results in the over-60's are most impressive. In the women's event it was Tracey Waller who repeated her Wynyard victory coming home in front of junior Amy Etherington, with Sue Phillips taking 3rd spot. Quite an age span represented on the podium!

Our finishing funnel worked well and our thanks are due to Dave Aspin, whose static finishing camera helped us resolve a couple of issues. Thanks also to the helpers on the day, you are invaluable as always. We think most runners enjoyed the course even though it only marginally qualified as a trail race. Our next fixture is on Thursday 11th July at Preston Park. The course will be the same as the first fixture in the series earlier in the year. For any interested parties please note that the youngsters race will also use the same course as previously.

Remember to qualify for the series prizes (and the "limited edition" commemorative mug) you need to have finished 3 races. There are another 2 qualifying races left on 11th July and 25th July. The final event on 22nd Aug will be a "closed" handicap race where the series prize giving will take place. More details on this to follow. We anticipate the commemorative mugs will be available at the 25th July event. This is a little behind schedule due to limited availability of our manufacturer. Looking forward to seeing you all on the 11th!
