The Tees Trail Races are held at local countryside sites across the Tees Valley which aim not only to highlight the venues but to promote healthy outdoor exercise. The races take place on woodland or grass tracks at a variety of countryside sites around The Tees Forest and are approx. 5Km in length.

The races are open to anyone 15 years of age or over and attract a wider variety of different ability runners and we are always supportive of encouraging novice or less experienced runners to participate to promote active lifestyles.
