Hi Folks, another Summer Series over.

Fantastic support, over 700 runners registered, thanks to you all, hope you enjoyed it as much as I did. I'm looking forward to next year.

We've stumbled on a formula that really works.

They say the sun shines on the righteous, so someone must have done something right as we always seem to have glorious weather like at Cowpen on Thursday.

Big thanks also go to the dedicated team of helpers who volunteer each month to make sure things run smoothly and to the team of Marshals who ensure you all run smoothly !

Without these folks the series could not happen.

Thanks too go to Stockton Borough Council for funding the ERS system bar code system which makes the result sorting much more straight forward and gets rid of the need for numbers.

We're still getting used to this but we are getting better !

Special thanks too to my daughter Amy for yet another classic mug design.

I reckon that once all the running costs associated with the series - prizes, mugs, TRA subs, etc. are paid we'll have about £1k left to donate to charity, which is fantastic. We'll let you know which ones benefit in due course.

Well done to you all !

Finally some of the series prizes are yet to be collected, they're highlighted on the spreadsheet, and some mugs are still to be picked up.

I'll bring these along to the first Winter series race.

See you all there !

Cheers Bob
