Hi folks, as the summer ends the 2016 series came to an appropriate end at Cowpen last Thursday.

I hope you've all enjoyed it as much as I have, it must be about 10 years since I first started helping Roy out and we've seen the series grow amazingly. I guess we must be doing something right.

One thing I know we've got right is the recruitment of some fantastic volunteers, without whom we couldn't stage the series.

There are too many really to mention them all, but I think that Jane, Nat, Vicky, Rob & Roy all deserve special mention for the work they put in before, at, and after the races.

Thanks folks you do a great job. thanks also to the many folk who've turned up on the night to help with marshalling especially young Daniel Armitage who's marshalled at every race I think.

We've had a couple of eventful races with the new course at the Lords Stones causing a bit of confusion and the old route at Wynyard doing the same.

The good news is that everyone eventually finished without any significant injuries, but Dave and his TVES team were on hand as usual , just in case.

In general we've also been blessed with great weather which has made the evenings so much better.

Another big thank you to my daughter Amy who again came up with another striking design for the mugs and to Rob Williamson for printing them.

I've a line of seven on my shelf in the study now dating from 2010. Thanks to you both.

Although I've not paid all the bills yet it looks like we've (you've) raised about a grand for charity, so well done for this.

Finally I hope to catch up with you at the second of the winter series, where I'll bring some mugs along for those who were not at Cowpen and I'll see you for another series in 2017.

Cheers Bob
