**Comments:**

"We were fortunate with the weather again....no rain and a bit of sunshine. For this event, arranged at short notice, we had a minimum number of marshals ( namely my Jacobs colleague Donald ) but this did not prove to be a issue at this particular venue. With several leading series contenders missing, we had a close race between newcomer Richard Laidler and Phil Teece, with the former securing a narrow victory. Andy Davies followed in third place. In the ladies race, Kay Neesham repeated her Preston Park success coming home ahead of team-mate Shelli Gordon. Shelli reversed the Preston placings with Lucy Jeffries and Lisa Bennett, who had previously both finished ahead of her.

Unfortunately the writer dropped the watch shortly after the first finishers arrived, and this caused a malfunction (i.e it stopped!). A backup system was brought into play however you may find that the reported time is slightly different to that which you may have been recorded on your own watch. The points awarded have been calculated so that an athlete's overall scores have not been affected by this problem.

The current cumulative positions will be published on the website soon. For information on the handicap event and the "highly coveted" designer mugs please watch the website. We hope to publish more details during the coming week."
