**Comments:**

We had to make a late change of venue for this fixture moving to Wynyard Woodland Park from South Park, Darlington. Every effort was made to publicise the change but there were several runners who went to South Park, where fortunately, Simon was on hand to redirect them to the new venue. As for the race itself, it was held on a hot evening, totally alien to the normal conditions for the north-east of England! There was welcome shade in the wooded sections but runners were exposed to the elements on the field stretch. Paul Lowe had the edge on Mike Jefferies in the men's race and they were followed by youngster, James Askew, in third place. As for the fairer sex, Kath Aspin took the honours ahead of Diane Jobson and Emma Palleschi. The Summerhill winner, Michelle Scott, was one of those who was re-directed from South Park, but unfortunately she, together with Andrew Sedgwick and Denise Tunstall, suffered navigational problems en route, causing them to arrive after the race had started.

We decided to allow the late arrivals to run the course as a time trial and their times were added into the results. Thanks are due to Paul, James and Diane, who ran the course again to act as guides for the time trial.

Special mention is due to Andrea, the Wynyard ranger, for her excellent support and assistance, and also to Up & Running for their sponsorship. Also we must not forget our unsung heroes, the marshals. Finally thanks to Helen, part of "Team Lowe" on registration duties, and Emma, our Lucozade scientist, for her advice and freebies.

Next event is at Pinchinthorpe Visitors Centre, Guisborough on Thursday 23rd July at 7.15pm where it's the last chance to gain points for the series.

Please note the handicap race will now be at NEWHAM GRANGE LEISURE FARM on 20th August.....first runner will start at 7pm.....more details at the Pinchinthorpe event and on this website later.
